THE GRANTOR CERTIFIES THAT THE LOAN SECURED HEREBY IS TRANSACTED SOLELY FOR THE PURPOSE OF CARRYING ON OR ACQUIRING A BUSINESS OR COMMERCIAL INVESTMENT, AND IS NOT FOR PERSONAL FAMILY OR HOUSEHOLD PURPOSES, WITHIN THE MEANING OF APPLICABLE LAW. THE GRANTOR HEREBY REPRESENTS AND CERTIFIES TO THE LENDER THAT THE GRANTOR DOES NOT INTEND TO OCCUPY THE PROPERTY AS A RESIDENCE.

Grantor and Noteholder covenant and agree as follows:

1. Payment of Principal and Interest: Grantor shall be responsible for the prompt payment when due of all the Principal and Interest in the indebtedness evidenced by the Note and prepayment and late charges as provided in the Note.
2. Application of Payments: Unless applicable law provides otherwise, all payments received by Noteholder shall be applied by Noteholder first to repay disbursements under Paragraph 6, then to Interest payable on the Note, and then to the Principal of the Note.
3. Prior Mortgages and Deeds of Trust; Charges; Liens: Grantor shall perform all of Grantor's obligations under any Mortgage, Deed of Trust or other security agreement with a lien which has priority over this Deed of Trust, including Grantor's covenants to make payments when due. Grantor shall pay or cause to be paid all taxes, assessments and other charges, fines, and impositions attributable to the Property which may attain a priority over this Deed of Trust, and leasehold payments or ground rents, if any.
4. Hazard Insurance: Grantor shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and such other hazards as Noteholder may require and in such amounts and for such periods as Noteholder may require. The insurance carrier providing the insurance shall be chosen by Grantor subject to approval by Noteholder; provided that such approval should not be unreasonably withheld. All insurance policies and renewals thereof shall be in form acceptable to Noteholder and shall include a standard mortgage clause in favor of and in form acceptable to Noteholder. Noteholder shall have the right to hold the policies and renewals thereof, and Grantor shall promptly furnish to Noteholder all renewal notices and all receipts of paid premiums. In the event of loss, Grantor shall give prompt notice to the insurance carrier and Noteholder. Noteholder may make proof of loss if not made promptly by Grantor.

The insurance proceeds shall be applied to restoration or repair of the Property damaged. If such restoration or repair is not economically feasible or if the security of this Deed of Trust would be impaired, at the sole discretion of the Noteholder, the insurance proceeds shall be applied to the sums secured by this Deed of Trust, with the excess, if any, paid to Grantor.

5. Preservation and Maintenance of Property; Condominiums; Planned Unit Developments: Grantor shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property. If this Deed of Trust is on a unit in a condominium or a planned unit development, Grantor shall perform all of Grantor's obligations under the declaration or covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and constituent documents.

6. Protection of Noteholder 's Security: If Grantor fails to perform the covenants and agreements contained in this Deed of Trust, or if any action or proceeding is commenced which materially affects Noteholder 's interest in the Property, including, but not limited to, eminent domain, foreclosure under a prior Deed of Trust, insolvency, code enforcement, or arrangements or proceedings involving a Bankrupt or Decedent, then Noteholder at Noteholder 's option, upon notice to Grantor, may make such appearances, disburse such sums and take such action as is necessary to protect Noteholder 's interest, including, but not limited to, disbursement of Attorney's Fees, and entry upon the Property to make repairs. Any amount disbursed by Noteholder pursuant to this Paragraph 6, with Interest thereon, shall become additional indebtedness of Grantor secured by this Deed of Trust. Unless Noteholder agrees to other terms of payment, such amount shall be payable to Noteholder upon notice to Grantor requesting payment thereof, and shall bear Interest from the date of disbursement at the rate payable from time to time on outstanding Principal under the Note unless payment of Interest at such rate would be contrary to applicable law, in which event such amount shall bear Interest at the highest rate permissible under applicable law. Nothing contained in this Paragraph 6 shall require Noteholder to incur any expense or take any action hereunder.
7. Inspection: Noteholder and/or its authorized agent shall, upon reasonable notice to Grantor, have access to the Property for the purpose of inspecting the condition and use thereof.
8. Condemnation: The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property, or part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Noteholder; subject to the terms of any Mortgage, Deed of Trust or other security agreement which has a priority over this Deed of Trust.
9. Grantor Not Released: Extension of the time for payment or modification of amortization of the sums secured by this Deed of Trust granted by Noteholder to any successor in interest of Grantor shall not operate to release, in any manner, the liability of the original Grantor and Grantor's successors in interest. Noteholder shall not be required to commence proceedings against such successor or refuse to extend time for payment or otherwise modify amortization of sums secured by this Deed of Trust by reason of any demand made by the original Grantor and Grantor's successors in interest.
10. Forbearance by Noteholder- Not a Waiver: Any forbearance by Noteholder in exercising any right or remedy hereunder under the Note, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.
11. Remedies Cumulative: All remedies provided in this Deed of Trust are distinct and cumulative to any other right or remedy under this Deed of Trust or afforded by law or equity, and may be exercised concurrently, independently, or successively.
12. Successors and Assigns Bound; Joint and Several Liability; Captions: The covenants and agreements herein contained shall bind, and rights hereunder shall inure to, the respective successors and assigns of Noteholder and Grantor, subject to the provisions of Paragraph 16 hereof. All covenants and agreements of Grantor shall be joint and several. The captions and headings of the paragraphs of this Deed of Trust are for convenience only and are not to be used to interpret define the provisions hereof.

13. Notice: Except for any notice required under applicable law to be given in another manner, (a) any notice to Grantor provided for in this Deed of Trust shall be given by mailing such notice by Certified Mail, Return Receipt Requested, postage prepaid, addressed to Grantor at Grantor's designated address, and (b) any notice to Noteholder shall be given by Certified Mail, Return Receipt Requested, postage prepaid, to Noteholder's designated address. Any notice provided for in this Deed of Trust shall have been deemed given to Grantor or Noteholder when mailed and not when received. Current address is address for all legal notices. Noteholder will be given notice of any and all new addresses and telephone numbers as they occur in writing at the above address, return receipt requested, within ten (10) days after they occur at the above address.
14. Governing Law; Severability: This Deed of Trust shall be governed by the law of the jurisdiction in which the Property is located. The foregoing sentence shall not limit the applicability of federal law to this Deed of Trust. In the event that any provision or clause of this Deed of Trust or the Note conflicts with applicable law, such conflict shall not affect other provisions of this Deed of Trust or the Note which can be given effect without the conflicting provision, and to this end the provisions of the Deed of Trust and the Note are declared to be severable.
15. Grantor's Copy: Grantor acknowledges receipt of a copy of the Note and of this Deed of Trust at the time of execution or after recordation hereof.
16. Transfer of the Property; Assumption: If all or any part of the Property or an interest therein is sold, transferred (transfer to include but not be limited to any lease containing a purchase option, lease for more than three (3) years, land installment contract or contract for Deed) or further encumbered by Grantor without Noteholder's prior written consent, Noteholder may, at Noteholder's option, declare all the sums secured by this Deed of Trust immediately due and payable. If Noteholder exercises such option to accelerate, Noteholder shall mail Grantor notice of acceleration in accordance with Paragraph 13 hereof. Such notice shall provide a period of not less than Ten (10) days from the date the notice is mailed within which Grantor may pay the sums declared due. If Grantor fails to pay such sums prior to the expiration of such period, Noteholder may, without further notice or demand on Grantor, invoke any remedies permitted by Paragraph 17 hereof.
17. Acceleration; Remedies: Upon Grantor's breach of any covenant or agreement of Grantor in this Deed of Trust, including the covenants to pay when due any sums secured by this Deed of Trust, Noteholder shall mail notice to Grantor as provided in Paragraph 13 hereof specifying: (1) the breach; (2) the action required to cure such breach; (3) a date, not less than Ten (10) days from the date the notice is mailed to Grantor, by which such breach must be cured; and (4) that failure to cure such breach on or before the date specified in the notice will result in acceleration of the sums secured by this Deed of Trust and sale of the Property. If the breach is not cured on or before the date specified in the notice, all of the sums secured by this Deed of Trust are immediately due and payable without further demand, and Noteholder may invoke the power of sale and any other remedies permitted by applicable law. Noteholder shall be entitled to collect all reasonable costs and expenses incurred in pursuing the remedies provided in this Paragraph 17, including, but not limited to, Noteholder's Attorneys' Fees. If Noteholder invokes the power of sale, Noteholder shall mail or cause Trustee to mail written notice of sale to Grantor in the manner prescribed by applicable law.

Trustee shall give notice of sale by public advertisement for the time and in the manner prescribed by applicable law. Trustee shall sell the Property at Public Auction to the highest bidder at the time and place and under the terms designated in the notice of sale in one or more parcels and in such

order as Trustee may determine. Trustee may postpone sale of all or any parcel of the Property by public announcement at the time and place of any previously scheduled sale. Noteholder, or Noteholder's designee, may purchase the Property at any sale.

Trustee shall deliver to the purchaser a Trustee's Deed conveying the Property so sold without any covenant or warranty, expressed or implied. The recitals in the Trustee's Deed shall be prima facie evidence of the truth of the statements made therein. Trustee shall apply the proceeds of the sale in the following order: (a) to all costs and expenses of the sale, including, but not limited to, Trustee's Commission of Five Percent (5%) of the gross sale price, reasonable Attorneys' Fees and costs of title evidence; (b) to all sums secured by this Deed of Trust; and (c) the excess, if any, to the person or persons legally entitled thereto.

In the event the Property is advertised for sale and redeemed by Grantor prior to sale, Grantor shall pay, in addition to all sums secured by this Deed of Trust, costs and expenses of sale, including, but not limited to, the Auctioneer's Fee and the Attorneys' Fees.

18. Incorporation: This Deed of Trust incorporates herein by reference all the terms, conditions and obligations of the Note of even date as if they were fully set forth herein and any default under the Note shall be a default under this Deed of Trust and that to the extent that anything in this instrument contradicts the terms and conditions of the Note, the terms of the Note shall control. The Grantor shall be personally liable for the repayment of the indebtedness in accordance with the terms and conditions of the Note of even date herewith.

19. Assignment of Rents; Appointment of Receiver: As additional security hereunder, Grantor hereby assigns to Noteholder the rents of the Property, provided that Grantor shall, prior to acceleration under Paragraph 17 hereof or abandonment of the Property, have the right to collect and retain such rents as they become due and payable. Upon acceleration under Paragraph 17 hereof or abandonment of the Property, Noteholder shall be entitled to appoint a receiver ("the Receiver") to enter upon, take possession of and manage the Property and to collect the rents of the Property, including those past due. All rents collected by the Receiver shall be applied first to payment of the costs of management of the Property and collection of rents including, but not limited to, receiver's fees, premiums on receiver's bonds and reasonable attorneys' fees, and then to the sums secured by this Deed of Trust. The tenant(s) or other occupant(s) may rely upon a written notice of assignment from the Noteholder and, upon payment of the rent to the Receiver, shall be relieved of his/her/their/its obligation to the Grantor. The Receiver shall be liable to account only for those rents actually received.

20. Adequate Assurance of Future Performance: In the event Grantor becomes a Debtor or Bankrupt in a case pending under the Bankruptcy Code, Noteholder's right to accelerate the obligation secured hereby shall be subject to the rights of the Trustee in Bankruptcy or Debtor in Possession to assume the obligation secured hereby.

The Trustee or Debtor in Possession shall not have the right to assume the obligation secured hereby or the Deed of Trust unless the Trustee or Debtor in Possession (a) promptly upon demand cures all defaults, (b) promptly upon demand compensates Noteholder for monetary damages incurred as a result of such default, and (c) provides adequate assurance of future performance. Adequate assurance of future performance, as used above, shall mean that the following criteria must be complied with promptly upon demand: The Trustee or Debtor in Possession agrees that the use of the Property shall remain unchanged; and that a Bond be posted with the Bankruptcy Court in an

amount equal to no less than that amount of Principal and Interest required to be paid to Noteholder under the obligation secured hereby during the period commencing upon the filing of the Bankruptcy Petition and ending one year thereafter. In the event Grantor, Debtor in Possession or Trustee in Bankruptcy are unable to cure its defaults, reimburse Noteholder for monetary damages, pay the obligation secured hereby when due, or meet the criteria and obligations of adequate assurance of future performance stipulated above, this Deed of Trust and the obligation it secures may be accelerated. "Promptly upon demand," as used herein, shall mean within Thirty (30) days after demand.

21. Release: Upon payment of all sums secured by this Deed of Trust, Noteholder or Trustee shall release this Deed of Trust to Grantor. Borrower shall pay all costs of recordation and reasonable Trustee's fees.
22. Substitute Trustee: Any Trustee may act. Substitution of trustees permitted without cause notice or reason. Each trustee acting hereunder shall be paid a fee of Fifty Dollars (\$50.00) for each document that he is required to execute under the terms of the Deed of Trust. Exemptions Waived.

24. Junior Liens. No subordinate financing is permitted without the prior written consent of the Noteholder herein.
25. Permits. In Event of Default, Grantor hereby assigns all building/construction permits and plans to the Noteholder.

At the maturity date of the Note and Security Instrument ("the Maturity Date"), the entire loan balance, all principal and accrued interest, shall be fully due and payable. The Lender is under no obligation to refinance the loan for the Grantor/Borrower before, on, or after the Maturity Date.
